Home-School Agreement September 2017-August 2018

The purpose of the Home-School Agreement is to strengthen the partnership between parents/carers and school to maximise children's learning and happiness.

The District CE Primary School is committed to creating the right educational environment for all pupils, which allows them to develop in a way and at a pace appropriate to their individual needs.

We will provide a framework based on Christian Values, within which a strong home-school partnership can be fostered, encouraging children to feel valued, happy and successful.
