THE DISTRICT CE PRIMARY SCHOOL

Introducing our NEW monthly school newsletter!

Date: 01st March 2022 - The District CE Primary School

WILLOW ROOM AND ROWAN ROOM

Our 2-4 year old's love their new purpose-built nursery! They have so much more space to play and learn. If you know anyone who requires a nursery place after Easter or in September, please let them know about our beautiful new nursery.

Our 2 year old setting (formally Little Stars) is now called the Willow Room.

Our 3-4 year old setting (formally Nursery) is now called the Rowan Room.

As you can see above, we have now completed our first display in Nursery. The children love books, they enjoy sharing books together, painting pictures, using a story map to retell and learning new words.

NSPCC NUMBER DAY

On February 4th the school participated in Number Day in support of the NSPCC.

All of the children in school took part in a wide range of number themed activities throughout the day.

Our willow room had a great day learning about numbers in the picture above.

The funds raised from Number Day will support vital NSPCC services such as 'Speak Out Stay Safe', which visits primary schools across the UK, to teach students all about the dangers of abuse and what they can do to help.

We are pleased to announce that we raised £46.90 overall!

On 8th February 2022, we participated in Safer Internet Day. This year the focus was all about respect and relationships online. Our children really enjoyed Mr. Atkinson's assembly and learning about how to stay safe online.

WORLD BOOK DAY 2022!

On Thursday 3rd March we will be celebrating World Book Day.

The Willow Room, Rowan Room and Reception children are invited to dress up this year. Year groups 1-6 will participate in all sorts of fun book and reading activities throughout the day.

Students in class 1L have been asked to bring in their favourite book on Thursday.

Students in 3HL are able to join in a 'Book Swap' on Thursday, if they have a book they no longer read that is in good condition they can bring it in and swap it for a different book.

Other activities will be posted by teachers on Class Dojo throughout the week.

HEAD LICE

We have had a few cases of head lice across school recently. Head lice are very common and can be treated with over the counter lotions and sprays or wet-combing. It is essential that you check your child's hair regularly.

You can help stop them spreading by wet or dry combing regularly to catch them early.

Do not use medicated lotions and sprays to *prevent* head lice. They can irritate the scalp.

Further information can be found on the NHS website here:
